LOL/HMMM- There were two cows in a field. The first cow said "moo" and the second cow said "baaaa." The first cow asked the second cow, "why did you say baaaa?" The second cow said, "I'm learning a foreign language."... A duck, a skunk and a deer went out for dinner at a restaurant one night. When it came time to pay, the skunk didn't have a scent, the deer didn't have a buck so they put the meal on the duck's bill....**HMMM- FINISHED FILES ARE THE RESULT OF YEARS OF SCIENTIFIC STUDY COMBINED WITH THE EXPERIENCE OF YEARS.** Now count aloud the F's in that sentence. Count them ONLY ONCE. Do not go back and count them again. What is your answer? Now, check the correct answer below.

VOLUNTEER CLUB- 2 words- BBALL MARATHON!! Even if you have never picked up a basketball, you will LOVE the bball marathon - but still not sure when the Trojan game is. **We will try to work our meeting around game time on Saturday- so check in with Lisa about meeting time this week.** The **board meeting will be THURSDAY, 2:15 p.m.**

memorable quotes & notes- "I was so nervous in that game. I couldn't sit down"...."that would be really funny if he's joking!"...."wright street all the way!"... "are we having tricycle races?"....

answer to hmmm....There are six F's in the sentence. There is no catch. Many people forget the F in "OF", and that word appears three times in the sentence. The human brain tends to see them as v's.
