Lisa Van Winkle

Michelle Banks-Venturelli

We hope that your family is healthy and hanging in there! In light of current events, Fidelity House is unable to hold our *24th Annual Appreciation Night*. We are hoping that you will continue your support this year by contributing to our “In Between Times” Drive. We know that the need is still there in our community during these “In Between Times”. We look forward to the future when our Appreciation Night and social gatherings will be held. We always look forward to seeing and catching up with you year after year!

The Spring has always been a major fundraising period for us, with the Appreciation Night, Easter and Mother’s Day Flower Sales, a Family Bingo Night and Fun Fair all scheduled during that time. This year, only the flower sales were able to resume. Times have been challenging, but the need to provide quality programs for children in our community is *vital* going forward and remains a primary goal of Fidelity House. If you would like to help Fidelity House during this time, please consider donating what you feel you would have donated for the evening’s events or what you feel you are able to at the present time. Donations are gratefully being accepted via mail, phone or on our website, www.fidelityhouse.org. Any questions can be directed to (781) 648-2005 or email us at fidelityhouse@fidelityhouse.net. Please see the enclosed form for sponsor details. Donations will be acknowledged on our website, in newsletter, and throughout the building.

Fidelity House appreciates your continued support and we look forward to keeping Fidelity House operational and a vital resource for kids, families going forward. Stay healthy and we look forward to working together in the future!

Sincerely,

The Friends of Fidelity House
